INSPIRATION IN IRON

Lecky Metal Ornaments is proud to present our latest 2012 volume VII catalogue, which incorporates many new products combined with popular favourites, and we hope you like it as much as the last version, which was very well received by our customers. Based centrally, in our modern 33,000 square foot warehouse in Swadlincote, Derbyshire, we are in an ideal location to service our customers nationwide for all their wrought iron requirements.

Over 90% of the products stocked by Lecky are manufactured by Lecky. This single source ensures both product quality and consistency. Additionally, the products are designed to comply with UK Building Regulations and industry standards. As the manufacturer, Lecky continually looks to improve the product range by adding new products and redesigning existing ones to meet our customers' needs.

Lecky Metal Ornaments has continued to grow throughout these difficult economic times and together with our sister company in Italy we continue to meet the wrought iron requirements of our customers throughout the UK and Europe. Our experience in both the UK and abroad has been invaluable in providing us with the knowledge by which we can develop new and innovative solutions for our customers, as we hope you will appreciate in this latest version of our product catalogue.

In addition to the new catalogue, we have also redesigned and improved our website. Please visit us at www.lecky.co.uk where you can browse our product offering and stock availability 24/7. Please check our website as we will be adding new and useful tools to assist you in your next project.

Furthermore, we would like to take this opportunity to thank our customers for their continued support over the years. We look forward to working with you in the future.

Underground Swing Gate Kit • For Gate Leaves ≤ 3.5 m

Also Available in 24V DC Version w/ Magnetic Encoder (Ref. Me3024)

Kit Includes:

2 x Electromechanical Motors (ME3000) • Irreversible • 230V AC

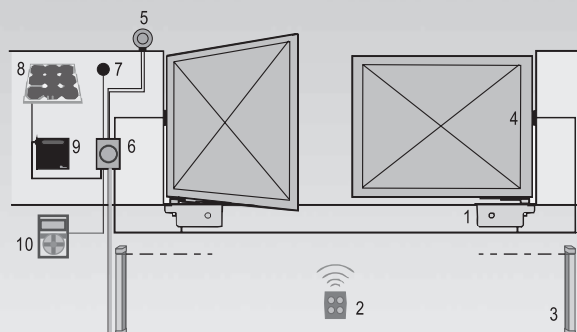

2 x Foundation Boxes (MECF)

1 x Control Unit (A60)

1 x Plug in Receiver (OXI)

2 x Transmitters (ON2) 433.92 MHz, 2 Channels

1 x Pair of Surface Mounted Photocells (BF)

For Installation Diagram, Kit Options, and Technical Specifications see: www.lecky.co.uk/nice
